

## AULD LANG SYNE

**Intro:** C ///, C ///

**Starting note: G**

C ///      G7 ///      C /   C7 /      F ///  
Should old acquaintance be forgot and never brought to mind?  
C ///      G7 ///      F /      G7 /      C ///  
Should old acquaintance be forgot and days of auld lang syne?

**Chorus**

C ///    G7 ///                  C ///    F ///  
For auld lang syne, my dear, for auld lang syne,  
C ///      G7 ///                  F /      G7 /      C ///  
We'll take a cup of kindness yet, for days of auld lang syne.

C ///                  G7 ///                  C /    C7 /    F ///  
And surely you'll buy your pint cup and surely I'll buy mine!  
C ///                  G7 ///                  F /    G7 /    C ///  
And we'll take a cup of kindness yet, for days of auld lang syne.

**Chorus**

C ///                  G7 ///                  C /                  C7 /    F ///  
We two have run a - bout the slopes, and picked the daisies fine,  
C ///                  G7 ///                  F /    G7 /    C ///  
But we've wandered many a weary foot, since auld lang syne.

**Chorus**

C ///                  G7 ///                  C /                  C7 /    F ///  
We two have paddled in the stream from morning sun till dine,  
C ///                  G7 ///                  F /    G7 /    C ///  
But seas between us broad have roared since auld lang syne.

**Chorus**

C ///                  G7 ///                  C /                  C7 /    F ///  
And there's a hand my trusty friend and give us a hand of yours!  
C ///                  G7 ///                  F /    G7 /    C ///  
And we'll drink a right goodwill draught, for auld lang syne.

**Chorus**
