Crazy, I'm crazy for feeling so lonely  
**G7**   **G7**                            **C // Gdim // Dm // G7 //**

I'm crazy, crazy for feeling so blue

**C**            **A7**                            **Dm**    **Dm**  
I knew you'd love me as long as you wanted  
**G7**                            **G7**                            **C // F // C // C7 //**

And then someday you'd leave me for somebody new

**F**    **F**                            **C**            **C7**  
Worry, why do I let myself worry?  
**D7**            **D7**                            **G7 // Dm // G7 // //**

Wondering what in the world did I do?

**C**            **A7**                            **Dm**    **Dm**  
Crazy for thinking that my love could hold you  
**F**            **Em**            **Dm**            **Gdim**

I'm crazy for trying and crazy for crying

**Dm**            **G7**    **C**    **G7**

And I'm crazy for loving you

**C**            **A7**                            **Dm**    **Dm**  
Crazy for thinking that my love could hold you

**F**            **Em**            **Dm**            **Gdim**

I'm crazy for trying and crazy for crying

**Dm**            **G7**    **C /// F /// C**

And I'm crazy for loving you
