

Pilgrim

By Steve Earle / Key: D

D

I am just a pilgrim on this road, boys

G **D**

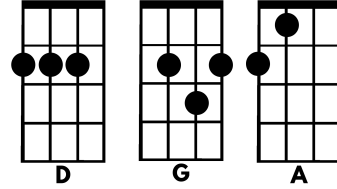

I am just a pilgrim on this road, boys

G **D**

I am just a pilgrim on this road, boys

A **D**

This ain't never been my home

D

Sometimes the road was rocky 'long the way, boys

G **D**

Sometimes the road was rocky 'long the way, boys

G **D**

Sometimes the road was rocky 'long the way, boys

A **D**

But I was never travelin' alone

CHORUS

A **D**
We'll meet again on some bright highway

G **D** **A**
Songs to sing and tales to tell

D
But I am just a pilgrim on this road, boys

A **D**
Until I see you fare thee well

D

Ain't no need to cry for me, boys

G **D**

Ain't no need to cry for me, boys

G **D**

Ain't no need to cry for me, boys

A **D**

Somewhere down the road you'll understand

D
'Cause I expect to touch his hand, boys

G **D**
'Cause I expect to touch his hand, boys

G **D**
'Cause I expect to touch his hand, boys

A **D**
I'll put a word in for you if I can
